

About Woonsocket Health & Rehabilitation Centre

WOONSOCKET HEALTH & REHABILITATION CENTRE is a 150-bed skilled nursing facility. We strive to create a comfortable and welcoming environment for our residents, one in which they are made to feel at home while knowing that their health care needs are being looked after by our caring and compassionate team of professionals. We are accredited by the Joint Commission.

24/7 ADMISSIONS

We accept admissions 24/7 for Short Term Post-Acute patients and Long Term Care residents. Our admissions staff is trained to promptly assess patient needs to facilitate placement decisions.

HEALTH INSURANCE PLANS ACCEPTED

Medicare, Medicaid, Blue Cross Blue Shield, Blue Chip, United Health, UH Rhody, UH RiteCare, Optum and Neighborhood Health

ENVIRONMENT

Tasteful decor, a lively dining room, and comfortable common areas create a homey and welcoming atmosphere. Our spacious lobby is a popular spot for relaxation and socializing.

PLAN OF CARE

Our Interdisciplinary Team comprised of Physician Specialists, Nurses, and Therapists, works to ensure that the nursing care provided is meeting each patient/resident's physical and psycho-social needs. We encourage family participation in the care planning process as it is an essential component of the patient/resident's successful recovery.

DIETARY SERVICES

We offer a varied menu of delicious and nutritious meals to ensure that our residents' dining experience is a pleasant one. Under the guidance of our Licensed Dietitian, our dietary staff is equipped to prepare meals to meet any dietary need.

ACTIVITIES

Residents enjoy a vibrant and varied activities program designed to provide entertainment, stimulate socialization, and to be a source of enrichment. Residents are actively encouraged to take part in daily activity events.
