

DEMENTIA CARE

COMPASSIONATE CARE FOR RESIDENTS...PEACE OF MIND FOR FAMILIES.

WOONSOCKET HEALTH & REHABILITATION CENTRE has been a leading provider of Dementia care for over 30 years. By maintaining balance and consistency in residents' daily activities, our caring and compassionate staff strives to foster an increased sense of security, a decreased dependency on medications, and an overall improved quality of life. We are sensitive to the concerns of family members, and work closely with them when developing individual plans of care.

Staying Active

An integral part of the resident's experience is our Daily Activities Program. Daily events are carefully planned to ensure that our residents stay pleasantly involved in enjoyable activities that bring them an increased sense of well-being.

Residents on our Dementia care unit benefit from:

- Private and Semi-Private Rooms
- 24/7 Admissions
- Secured Living with a Team of Specialized Staff.
- Non-restraint WanderGuard Protection.
- Two Specialized Dining Areas
- Daily Activities Program.
- In-House Psychological and Psychotherapy Counseling
