

*“We are proud to announce!”*

**WOONSOCKET HEALTH & REHABILITATION CENTRE  
has earned the  
2018 Bronze National Quality Award**

The Bronze National Quality Award is given to organizations who share a commitment to improving the lives of residents through quality care. The distinction is the first of three progressive award levels through the National Quality Award Program, presented by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL), the leading association for long term and post-acute care. The program honors association members across the country that have demonstrated their dedication to improving quality of care for seniors and persons with disabilities.

WHRC is one of only two Rhode Island skilled nursing facilities to receive this award this year.

**We are very proud that our Five-Star Staff  
is receiving the recognition it deserves!**
